Faulkner: The Significance of Time in a World which Signifies NothingThere is no such thing as was. To me, no man is himself, he is the sum of his past.There is no such thing really as was, because the past is. It is a part of every man, everywoman, and every moment. All of his and her ancestry, background is all part of himselfand herself at any moment. And so a man, a character in a story at an...
